## PASTOR'S THOUGHTS Against the Wind

There are times in our lives when the wind is blowing in the wrong direction. It seems as though anything good we try to do, this wind pushes us back and even fights against us. During times like this, it is so easy to say, "This is as far as I go down this path." We end what we are doing and decide the effort is no longer worth it.

Consider the story from Luke 14:22-33. Jesus sends the disciples off across the lake by themselves

and Jesus remains where he is to spend time in prayer. Then later that night, when the boat has made progress into the wind and waves, Jesus decides to go to them. He walks out across the water. The disciples do not know what to think other than this is a ghost. Jesus says, "Do not be afraid. It is I." Peter being the wonderful disciple who speaks and then thinks says, "If it is you, Jesus, then tell me to come to you." Out of the boat goes Peter and he does well until he pays attention to the wind and the waves around him. Jesus saves him from drowning and they both return to the boat. Once Jesus is in the boat the wind and waves die down to the amazement of all.

We also have a tendency to focus on the storm around us. Media reinforces the storm because the negative sells better. We are bombarded by this focus everywhere we go these days. Banks, gyms, hospitals, and even doctors' waiting rooms have installed TVs so we can keep up with this focus. We have 24 hour News stations to overanalyze situations completely. Social media continues to spread the storm

making it even bigger in the process. This focus beats us down to the point that we say, "The world is getting so bad. Why should I try to do anything good? The wind and waves will just erase it."

I wonder what would happen if we changed our focus to look at Jesus during the storm? Could we do the impossible against the wind? I challenge you to keep your eyes firmly on Jesus and step out of the boat into the storm that many find so fearful and trust Jesus to guide you to do the impossible. If we allow Jesus to help us by focusing on the powerful things God can do through us then the winds will change in our favor and the Kingdom of God will grow.

Are you willing to join me in focusing on Jesus and not be distracted by the storm?

Because of God's Love,  
Pastor Tim

# Shoebox Ministry

## IT'S TIME FOR SHOEBOXES!!

It's time for my yearly plea to all of you for help in a very important mission project—Operation Christmas Child.

Wytheville Baptist Church will once again be a Relay Center. We will have hours of operation each day between November 14-21 and we need your help. There will be a sign-up sheet in the back of the sanctuary for those who would like to volunteer. We would like to have our church surpass our collection amount from last year and I am challenging our membership to pack 155 shoeboxes. Ideas to pack your shoebox: small toys, balls, jump ropes, small musical instruments, school supplies, hygiene items (toothbrush, toothpaste, bar soap in a plastic bags, comb, washcloth), socks, tee-shirts, hats, gloves, sunglasses, chewing gum, individually wrapped candy.

**DO NOT INCLUDE**—liquids, medicines, chocolate candy, toys promoting violence.

Use an empty average size shoebox or a shoebox size plastic box. We also ask that you provide \$7 for shipping. Decide whether you want to pack your box for a girl or boy and for what age. Fill your boxes and bring them to the church during the week of November 14-21. We ask that you also pray for all the boxes, those who will distribute them, and those who will receive them.

Thanks for your help in advance.  
Janet Montgomery and Doris Terry

EVERY SHOEBOX GIFT YOU PACK HELPS SAMARITAN'S PURSE TO REACH CHILDREN WORLDWIDE WITH THE GOOD NEWS OF GOD'S LOVE AND THE TRUE MEANING OF CHRISTMAS.

## Notes from our Music Director

Judy Collier

Dear Church Family,  
The September 17 Christmas Cantata Workshop greatly exceeded my expectations! We had a wonderful group (with three new members!) and I believe all enjoyed the beautiful music and warm fellowship. It was such a joy that another cantata workshop will be offered in October, so that anyone interested in singing in the cantata *The Night of the Father's Love* will still be able to join us. I can't encourage you enough to be a part of this opportunity to worship our Lord in song and in fellowship.

Next month, I look forward to reporting on the September 24 Music Reading Workshop and Vocal Techniques Workshop as well as the start of a beginner's choir. The rehearsals of our wonderful Adult Handbell Choir will resume upon Cathy Valley's return.

We have all been greatly saddened by Bill Valley's serious health challenges and the diffi-

culty he and Cathy have been experiencing. And frankly, we have just plain missed their loving presence. We have all been prayerfully lifting Bill, Cathy, and Cathy's mother up to the throne of grace.

With the sudden absence of Cathy, prepared music having to be postponed, and adjustments to a new director whose previous piano-playing hands have been severely limited by the pain of prior issues—all in the first week!—well, I wouldn't be surprised if the future holds such great promise that it has gotten the attention of our enemy! But, as promised, when we are weak, He is strong, and it has been amazing to see how the Lord has overcome and brought everything together. The choir has been wonderful and supportive and I can't thank each of you enough. A special thank

(Continued on page 4)

(Continued from page 3)

you goes to Rick Walker, Joel and JoBeth Hilton, Victoria Willis, Rachel and Hunter Crowgey, Janet Montgomery, and Lisa Crowgey for so quickly stepping up to the plate and providing beautiful and worshipful music in our services. In my list of the many to whom I am so very grateful, I don't want to forget to thank Pastor Tim, a godly counsel and a great joy to work, who so willingly brought a beautiful narration to our September 18 choir number; and deep appreciation goes to Jan Stone—our sweet and efficient church secretary whose love for the Lord overflows, as well as to Daniel Burke and Jonathan Stoker who have faithfully helped so much with the sound system and media. Some of you may not be aware of the many extra hours

Jonathan has given Pastor Tim and myself on the music. Thank you to all!

And then to our wonderful Wytheville Baptist Church congregation, I want to say thank you: for your understanding, encouragement, and prayers during this period of adjustments and learning curves, and during these weeks as our talented soloists and duets allow the choir time to learn new music. We all look forward to Cathy's return with her sweet spirit, beautiful voice, and pianistic skills. In the meantime, we have been stretched and we have grown under the Lord's direction—for He is the true Director, not only of our lives, but of our music and our worship. To Him be all glory!

Judy Collier

Don't forget to join us for Sunday School every Sunday morning at 9:15 a.m.

## How to Stay Safe

## In the World Today!

1. Avoid riding in automobiles because they are responsible for 20% of all fatal accidents.
2. Do not stay at home because 17% of all accidents occur in the home.
3. Avoid walking on streets or sidewalks because 14% of all accidents occur to pedestrians.
4. Avoid traveling by air, rail, or water because 16% of all accidents involve these forms of transportation.
5. Of the remaining 33%, 32% of all deaths occur in hospitals. Above all else, avoid hospitals.

You will be pleased to learn that only:

0.001% of all deaths occur in worship services in church, and these are usually related to previous physical disorders. Therefore, logic tells us that the safest place for you to be at any given point in time is at church! Bible study is safe too. The percentage of deaths during Bible study is even less.

So Stay Safe  
and

join us every Wednesday night at 6:40 p.m.  
for Bible Study!

LEGACY CHURCH  
WYTHEVILLE BAPTIST CHURCH  
REAL LIFE MINISTRIES  
ST. PAUL UNITED METHODIST CHURCH

This event has been a huge success for the past two years; this year we expect many, many more families to visit our *Church Street Trunk-or-Treat*.

Trunk-or-Treat will be from 5:00—7:00 p.m. on Monday night, October 31, with setup beginning at 4:30. There will be a Fall Festival inside WBC and St. Paul UMC featuring games, face painting, food, and so much more. The churches will provide a progressive dinner with WBC providing Hot Dogs and St. Paul UMC providing soup. Cars will be on display all along the parking spaces on Church Street and in Barnett Funeral Home parking lot waiting for children to come by and receive their treats. The town has graciously allowed us to block off the street so children and their families can safely visit from one car to the next and church to church worry free.

## WHAT WE NEED:

1. Prayer—asking God to help us bless the children and their families in our community through this event; and that the love of Jesus will shine through us.
2. Candy, candy, and more candy.
3. Volunteers to help in the fellowship hall with all the activities, food preparation and serving, and clean-up.

## Children's Clothes Closet

Fall is upon us and there are warm clothes available in our WBC Children's Clothes Closet. These children's clothes are free and we always have new families that utilize this ministry. Once there, people will find each Sunday's sermon plus all the previous sermons of past months. Thank you to our Multi-Media Team Leader, Daniel Burke, for providing this link for our enjoyment.

## **Kathryn Isaacs and Mabel Crabtree Circle News**

Nine members attended the Circle meeting on September 5. We meet in the fellowship hall and chairperson, Janet Montgomery, welcomed members and received prayer request. The devotion, presented by Carroll Stewart was entitled "Everyday with the Father." The program, given by Janet Montgomery, focused on "Alma Hunt and Home Missions."

The October Circle meeting will be in Williams Hall on October 3, at 7:00 p.m. with Cathy Valley providing the Program and Betty Matheny serving as Hostess. The Mission Action Project for October will be College Cards and Resource Center.

Thanks to all our members. Ladies we extend an invitation to those who are not members, "**Come join us!**"

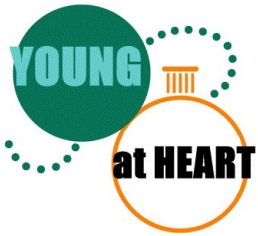

*Janet Montgomery*

**IS YOUR COMPUTER  
OUT OF COMMISSION AND YOU NEED  
TO CONTINUE YOUR WORK???**

We have a solution! While your computer is at the shop, come by the church office and pick up a loaner laptop and continue your work.

Gary Carson has provided this loaner laptop for your convenience. When your computer is fixed and back home, return the laptop to the church office. Gary will delete any information, programs, accounts, etc. that you have placed on the computer and get it ready for the next person.

Due to family health problems, our Fire Chief was unable to speak with us at our September 20 Young-at-Heart meeting. There were ten members present this month and we enjoyed watching a very short (26 min.) Christian film titled *The Daylight Zone*. It was about an atheistic man's claim that Jesus Christ doesn't exist because he had never seen Him. Although it was short, it had a good message.

195 Main Street, to enjoy lunch and fellowship. Afterwards we will visit Hannah's Attic for a quick look-see or you may stay as long as you wish. That could take an hour or two if you want to visit all of the booths. It's larger than you think.

Young-at-Heart needs more members! If you are 50 or older, you are invited to join our group. We meet once a month on the third Tuesday at noon. It's a good opportunity to get to fellowship with other church members in your age group.

# The Nellie Bausell Library Notes

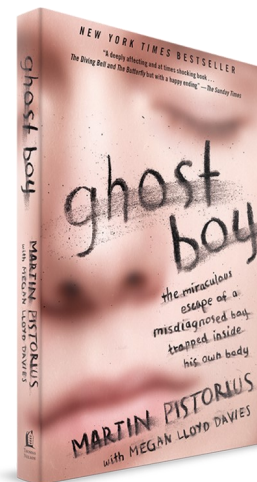

OCTOBER 2016

*Ghost Boy*: The miraculous escape of a misdiagnosed boy trapped inside his own body. This book was written by the Ghost Boy himself, Martin Pistorius.

In January 1988, Martin Pistorius came home from school complaining of a sore throat. He never went back. Within a year, Martin had degenerated into a mute quadriplegic. By his fourteenth birthday he was a hollow shell, unseeing and unknowing; he spent his days at a care center, sitting blankly in front of the television while his family waited for him to die.

And then his mind came up for air.

For an unimaginable ten years, Martin would be completely conscious while trapped inside his unresponsive body, secretly aware of everything happening around him and utterly powerless to communicate it.

*Ghost Boy* is Martin's story. He describes the chilling details of life as a secretly lucid vegetable. For an age when prolonged illness and misdiagnoses are too common, *Ghost Boy* is the hopeful story of a discarded life awakening from passivity to action, despair to hope, captivity to freedom.

Martin Pistorius was born in Johannesburg, South Africa, in 1975. At the age of twelve, an unknown illness left him wheelchair bound and unable to speak, and he spent fourteen years in institutions. In 2001 he learned to communicate via computer, make friends, and change his life.
