## PASTOR'S THOUGHTS THE CHAINS FELL OFF

There is a story in Acts 12 about how Peter escapes from jail. Herod captured him and placed Peter in jail awaiting trial the next day. In the midst of the night, an angel came instructing Peter to get up quickly. Suddenly the chains fell off of Peter's wrist. He was instructed to get dressed and follow the angel. The words of scripture Acts 12:9 say, Peter "had no idea that what the angel was doing was really happening; he thought he was seeing a vision." Peter had no concept this was reality.

So now the world wonders about Peter. Did he have a problem understanding the

reality of things around him? Was Peter so out of touch with real life that he could be easily confused? This does not sound like someone the world should follow as a leader. The world wants (and currently needs) leaders who have a firm grasp on reality.

Let me add the additional dimension of the spiritual life to what is happening for Peter. It is not that Peter is confused or out of touch with reality. Peter is trying to discern the current situation through the fullness of his whole spiritual life. He has learned so much from walking with Jesus that he takes time to reflect on what is going on before making a judgement. This is a valuable practice. The world could learn a lot by taking the time to add this practice before speaking or judging. Peter does become fully aware of the reality of what has happened and lives into the moment.

Three takeaways from this story:

- 1) Reflection is important. I need to evaluate what happens around me and seek an understanding that will help me to see it from God's eyes. Read Acts 12:11 for where this happens for Peter.
- 2) At times it may be necessary to step forward on the path God is calling me to walk before I will receive a full understanding of the current situation and spiritual path. Peter followed the directions the angel gave him and then came to an understanding when the angel left him.
- 3) When I do understand what has happened, I need to acknowledge it as reality and live into it. For Peter, the chains and prison were gone and he was released. I must know what is no longer fact in my spiritual life and move forward. I too have been released from bondage to sin. Now I must live as the free person God wants me to be.

Are these three concepts needed in your spiritual life? As always if you need to speak about your situation or need help reflecting on what God has done in your life, please contact me so we can set up a time to listen to what the Spirit is saying to you.

Because of God's Love,  
Pastor Tim

- ♦ Wilford and his team at the BGAV now hope to have a permanent leader for the Radford Collegiate Ministry's in place some time in July of 2017. The BGAV will begin by paying the new persons full salary. Thus giving them time to raise 20% of their support. As you know the Western Blue Ridge Baptist Network has pledged at least \$300 per month support for the Radford position. At this time we are not sure exactly when our financial support will be required. Please continue praying for God to guide Wilford and his team.
- ♦ As reported last month Darrell Cook, Leader of Virginia Tech's Baptist Collegiate Ministries will have until January 2018 to raise part his annual support. Darrell has received pledges for just over 44% of the total support he needs next year.
- ♦ The Western Blue Ridge Baptist Network web site can be reached by searching the name or by copying and pasting

 Remember your contact person is the only one who can post information for your church on the Network web site. Please have the person, you select, contact Robert Ratcliffe by sending him a note on the "about" page of the web site. Please remember to post your church's activities on the Network website.
- ♦ The dinner for pastors and their spouses in April was well received and gave our pastors time to get to know each other better and share ideas and concerns.
- ♦ There were 37 Deacons at Tom Stocks Deacon Training class held May 20 at Dublin Baptist Church. During the first two hours he explained the team approach to Deacon Ministry. At noon we had a break for lunch in the Fellowship Hall of the church. The afternoon session was devoted to questions and answers. Tom presented ideas on implementing the Team approach at our individual churches. Thank you to all the Deacons who participated.

## Notes from our Music Director

I praise the Lord for His strong and faithful work through "A Lamb, by Choice (LBC)!" Tears were shed, hearts moved, spirits uplifted, and we believe lives were changed. Comments were heard, such as: "It should go on the road" (which several said); "It should go to Carnegie Hall"; "This was more of a revival than any I've been to"; "Hollywood could not have done it better." Several said "The choir sounded like there were 50 voices" (while one said 1,000 voices!). The kind words and enthusiastic response greatly touched our hearts. Yet the radiant and tear-stained faces spoke of a deeper level in which the Lord worked—the heart. This is what we prayed for and motivated our efforts: that all would be drawn into a deeper relationship with our Lord Jesus Christ. A special example of the Lord's working came from Harlan "Speedy" Clemons who said when Pastor Tim touched his hand in his role as Jesus, that his pain disappeared and he walked without a cane for weeks. He still speaks of the program with great emotion. We're planning to offer LBC again next year, possibly a month before Easter. Please continue telling others of the Lord's work through it. This will not only help promote the program for next year, but it is a wonderful way to begin telling our community about the dynamic way the Lord is moving through our beloved Pastor Tim and church. So many need what the Lord is doing in Wytheville Baptist Church!

And a very special thank you goes to Sharon Taylor, our Drama Director, whom the Lord sent us "just in time"! I thank you, Sharon, from the bottom of my heart. You did a tremendous and inspired job through your sincere love of the Lord. Sharon is also organizing a special presentation on July 2 to honor our veterans and their branches of service. Come prepared to express to our wonderful veterans how much their sacrifice and service mean to us. Rick Walker will be singing "God Bless the USA" and we will all join in singing other patriotic

(Continued on page 4)

songs. Don't miss Sunday, July 2!

We are grateful for our very talented soloists who enabled the choir to work on the music for LBC and will continue to bless us throughout the summer months: violinist Brenna Crowgey, Hunter and Rachel Crowgey, Lisa Crowgey, Darrell Eades, Jr., Sharon Taylor, Cathy Valley, and Rick Walker. Choir rehearsals will be held only on Sunday mornings from 10 – 10:30 as our choir recuperates and celebrates the lives touched and changed through LBC. Everyone is welcome to join us on Sundays at 10 (with no commitment), by just singing the melody of the praise and worship songs.

In closing, I want to deeply thank everyone who participated in LBC. I wish I could adequately express my appreciation, but I have the joy and peace of knowing the Lord is going to do that much better than I ever could!

Gratefully and in Him,  
*Judy Collier*

We did not have official plans for a June meeting, but Ms. Terry thought it would be a good thing for us to meet at Chautauqua for lunch on our regularly scheduled day. That's what several of us did. I am sorry that the word didn't get to everyone, but there was a poster indicating those plans on our bulletin board.

Our July 18 meeting will take us back to our fellowship hall for the first time in several months. Chris Bracknell recorded his and Rhonda's vacation pictures on a DVD and has volunteered to share them with us. We know they went to Hawaii and several other places this past spring. We can visit those places through what they saw. But you will have to bring your own lunch this time and hopefully someone will volunteer to bring refreshments.

Dear Church Family:

Thank you for your prayers, cards, and well wishes. Mae and I especially enjoyed the card with all the many signatures. # Youth News

Summer is finally here! Higher Ground youth are excited to be out of school and are settling into enjoying summer activities available in our community.

We just finished up the Bible study on *The Grace Card*. I encourage you to view this movie and get deep in the study that accompanies it! It is available from the youth room for check out. When we think of God's Grace and our own ability to forgive, are we really forgiving? Or do we find ourselves still harboring negative thoughts, feelings and emotions. This is not Grace! Do we find ourselves praying daily and extending a hand for those who have, or those who we think have, "wronged" us. It's a daily struggle. *The Grace Card* is a gift for everybody who has discovered that life is hard and messy....and that God is good. Check it out in your Sunday School class or small group study. You won't be disappointed. *The Grace Card* makes us think, makes us realize what God's Grace is all about, and how to apply the gift of Grace in our daily lives. This is the second time I have led this study and both times, it gives insight to what needs to happen in my personal life; both daily and ongoing. Each time, the youth have been engaged and amazed.

Higher Ground is getting excited about VBS! We are working on decorations, music, and the places we want to be involved. This is an exciting time in our church; get on board the excitement if you haven't already! The vision of small children

filling our hallways and sanctuary with smiles, giggles, laughter, and amazing moments is so very exciting! We can't wait!

Higher Ground wishes to thank Mr. Gary Carson for the generous donations of the Keurig coffee machines to the youth room. We are excited to put it to good use. Stop by the youth room for a cup of coffee on Sunday mornings. *We welcome you!*

## *The Nellie Bausell Library Notes*

### **July 2017**

The following two books have been in our library for several years, but no one has read them. I am hoping someone will give them a try. They have catchy titles and should be fun to read.

***If You Want to Walk on Water, You've Got to Get Out of the Boat*** by John Ortberg. Deep within you lies the same faith and longing that sent Peter walking across the wind-swept Sea of Galilee toward Jesus. Peter may have been the first one out of the boat, but Jesus' invitation to walk on water is for you as well. That's where you'll meet Him: out where the sea is high and the footing impossible. As a follower of Jesus, you want to go where He calls you. But walk on water? The author invites you to consider the potential that awaits you outside your comfort zone.

***Get Out of That Pit from a former pit dweller:*** Beth Moore has straight talk about God's Deliverance. Ever been in a pit? Are you in one now? Is someone you love living there? Don't think for one second that God has forgotten, says Beth Moore—and Beth should know. She wasn't just a visitor: this former pit-dweller had to be delivered from acres of life-accumulated dirt that had left her wounded with little hope of wholeness. What she learned in that experience are lessons for all of us about the healing to be found in Jesus.
