### PASTOR'S THOUGHTS

#### Taking Time to Process

There are so many items to get done every day. We have a plan and it is frustrating when we are not able to accomplish our plan. Sometimes we set items aside and hope they will complete themselves or maybe someone else will do them. There are even items we feel are not necessary, yet for some reason we still complete the task. Then something crashes right into all that is happening. It often is a shock and unsettles us. It may stop us in our tracks, making us completely unproductive.

This very thing happened to a man named Saul in Acts 9:1-9. He had his plan; it was a plan to stop the new Jesus movement from growing. His greatest desire was to crush it completely. Saul felt

to eliminate all people in this new movement. Saul attained the rights to kill any people he found who followed Jesus. As he was carrying out his plan for God, God in the form of Jesus Christ interrupted him. "Why are you fighting against me?" Jesus Christ asked. Saul did not have an answer and

process how God is leading and guiding us. If during this time we feel that our plan is not God's plan then we need to scrap our plan and change paths.

This is exactly what Saul did and became known as the Apostle Paul: church planter, writer, and encourager of those

### "WHY ARE YOU FIGHTING AGAINST ME?" JESUS CHRIST ASKED.

was physically and mentally blinded by this experience. For three days, Saul sat and waited. During this time Saul did not eat or drink. His whole plan was derailed.

What do we do when we find our plan derailed? Are we willing to pause and reflect on our experience? I believe Saul spent those three days reflecting and processing what he had just experienced. He was seeking to understand how he had turned down a path that was not God's way.

We can learn from Saul. I believe it is good to schedule moments of reflection on the spiritual journey. These moments should include processing what we feel God is saying through scripture, through prayer, through other people, and through circumstances. This is not a ten minute task but must involve a longer period of time to really

who follow Jesus Christ. If you have not recently taken the time to process and reflect on your spiritual journey then schedule time now. Make it an appointment you will keep as you would any other appointment on the calendar. Ask God to show you the path God desires for you to walk. If it is different than the path you are currently walking then pray asking God to show you how to walk God's path.

As always, if you have questions, I would like to sit down with you and help you better discern your spiritual journey.

Because of God's Love,

Pastor Tim

- Have you reserved the camp for your group's summer activities by logging onto the Camp website? (link posted above) Schedule the date, the start time, and the number of hours you need the camp.
- The schedule for this season's cleaning of the camp building is; March 24 Belspring, April Trinity, May Cambria, June Fairlawn, July Pulaski First, August Dublin, September Blacksburg, October Wytheville. Thanks so much for agreeing to clean the building this summer.

### NICKELSVILLE MISSION TRIP MAY 13-18

Please contact Nancy McLaughlin at 540-808-8733 or annella50@comcast.net if you would like to go with the Blacksburg Baptist mission team. The cost for the week is \$100 per person but Nancy is still working on pricing for those who would be interested in working only a day or so. We plan to have the cost for 1, 2 or 3 day stays with the mission team soon.

### BUNK HOUSE TRAILER

Danny Vaughn from Calvary Baptist reported on the Disaster Relief "Bunk House Trailer" project with the BGAV. They are currently waiting on BGAV funds to purchase the trailer. In the meantime they are investigating the trailer's interior renovation cost.

### VENEZUELAN CHRISTIANS

Pastor Ramon Tovar continues to feed people both physically and spiritually with the \$300 we are sending each month. Inflation was 4000% in 2017 and is expected to hit 13,000% in 2018. As an example, a loaf of bread that cost a bolivar in 2016 cost 41 bolivar this year and at the end of this year is expected to cost 131 times what it cost today. Pray that he will be able to find food to buy for the people in his church and community with the dollars we are sending.

### BLAND MINISTRY

Hearts and Hammers members in some of our Network churches are working with Dee Dee Hoosier of Bland Ministries to build ramps for some of the physically impaired in our area. Will keep you posted as this ministry develops.

Please thank Him for the opportunities He has provided.

In His service

Western Blue Ridge Baptist Network

## Western Blue Ridge Baptist Network

- As reported last month the Youth Leaders dinner had 12 in attendance. The group discussed ways our various youth groups can cooperate with each other and with Tech's and Radford's BCM college ministries.
- Dates for the next planned dinners are as follow; Music Directors May 8, Deacon leader June 12, Treasurers July 10, WMU Leaders August 7, Secretaries September 11. All dinners start by 6:00 pm on Tuesday night at Shoney's of Dublin just off I81. The dinners are the week following the Leadership Team meeting.
- We are planning to have the State Police do Church Security training in late July. The details will be finalized with the State Police representative at our May 3 leadership Team Meeting.
- Darrell Cook and Chris Leeper, Directors of Virginia Tech and Radford's Baptist Collegiate Ministries reported on how the Lord blessed their mission teams witness this year during Spring Break. Several students were able to go this year that wouldn't have been financially able without the Networks financial support of their witnessing activities.
- The Western Blue Ridge Baptist Network web site can be reached by searching the name or by copying and pasting  
<http://westernblueridge.wix.com/baptistnetwork>
- Please make sure your church has a say in the decisions of the Leadership Team by having a representative at the 6:30 pm meeting in the Dublin Baptist Church Fellowship Hall (across from Hardee's) on May 3, 2018.

### CLAYTOR LAKE BAPTIST ASSEMBLY INC.

- Sunrise Easter Service at the Camp was attended by over 40 this year. The new Fire Pit that one of our VBS youth groups built last summer really came in handy. It was a wonderful service even if the clouds obscured our view of the sun rising over the lake.

## NOTES FROM OUR MINISTER OF MUSIC AND WORSHIP

### GLORY ON THE MOUNTAINTOP

My deepest gratitude goes to everyone who participated in "A Lamb, by Choice." Our main prayer was for the Lord's power to descend upon all; and most everyone I've talked with has spoken of just that. "I was on the mountaintop last night ..." – a comment immediately followed by her husband's words, "And we need those mountaintops!" Another said she felt the Lord's power pounding in her heart during "Feel the Nails." In fact, many of us experienced a "miracle," when, after many prayers, Rick Walker's Monday sore throat suddenly went away during "Feel the Nails" and "Hallelujah (Easter Version)," as if there had never been a problem. Several said they couldn't believe there were only nine or ten voices singing—that they sounded like fifty, which truly had to be a miracle.

And the Lord's Hand literally took control from the first note. When I made a large motion to the pianist, the choir took it as the signal to

begin, and suddenly came in strongly, perfectly together, and in the desired tempo even though it was a beat or two before they were supposed to start! I was so startled that it took me several moments to "come to" and realize that I certainly was not in control, even though I felt my right arm moving. Only the Lord and I knew who the True Conductor was at that point. What peace it brought as my burden of responsibility was taken from me and put on HIS Mighty Shoulders.

More miracles will surface, but there'll be many we won't know until glory. The gifts of the heart and sacrifice by all was truly a miracle to me. There was the creation of the gorgeous set by Jerry and Jan Stone and their family, our backstage and media/lighting team's amazing job that impacted the entire presentation. When we lost our "Peter/Barabbas" four hours before Monday night's presentation, Noah Willis rushed from ball practice to

(Continued on page 4)

do two parts he'd never done before. Then the hours struggling over notes and lines from many who said "This is not in my comfort zone ..." and "This really isn't my thing ..." – but, they did it anyway. With the gorgeous and inspiring solos, Pastor's incredible portrayal of Jesus, the choir's beautiful voices offered with their whole hearts while the awesome cast enacted the Passion with passion, well, how could we *not* have experienced a mountaintop? I don't believe the Lord's mountaintop experiences were ever designed to lift us up, only to drop us back down to

where we started. Instead, He takes us from strength to strength (Psalm 85:5-7) and "glory to glory" (2 Corinthians 3:18). So, if we opened our hearts more to the Lord during "A Lamb, by Choice," then we were changed a little more into His Likeness and are able to live on a little higher plain. Even if we can't see the change, the Lord does. Now it's for us to share His new Likeness in us...

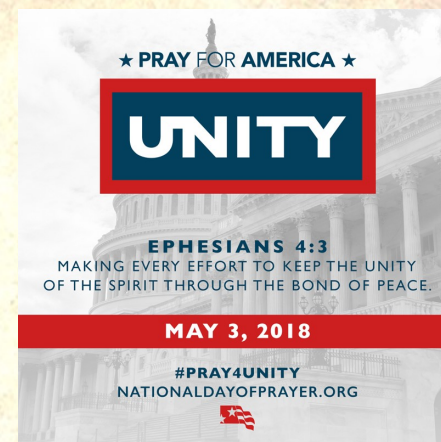

With deep appreciation,

*Judy*

# Thank You

Dear Church Family and Friends,

Thank you for all the cards, phone calls, visits, and wonderful acts of kindness during my stay and Mae's stay in the hospital. It means so much to be remembered in such a special way.

God Bless you all,  
Harlan "Speedy" Clemons

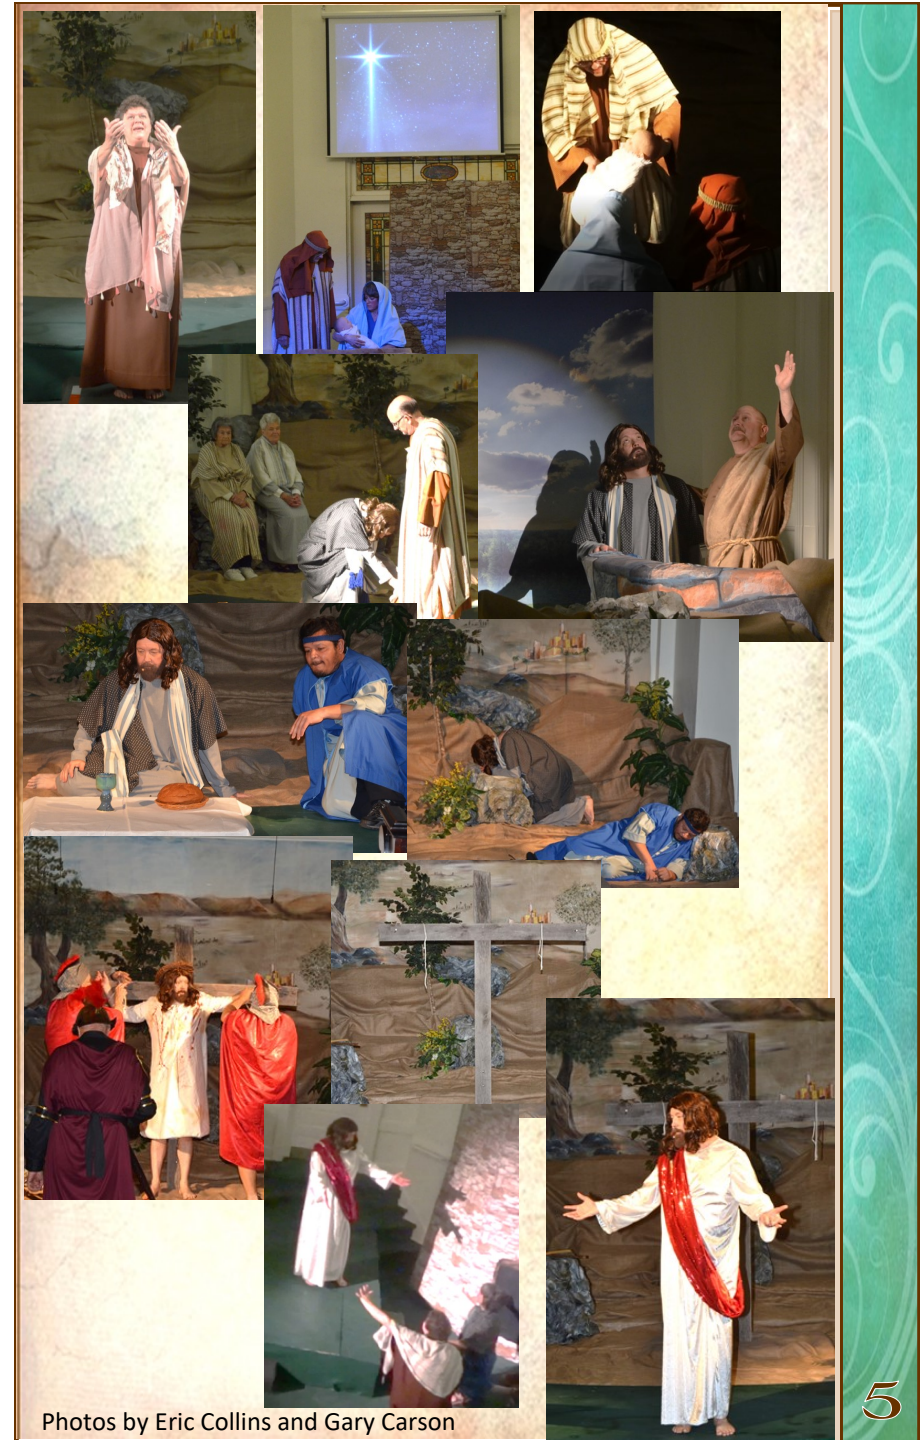

I just wanted to say THANK YOU for all the concern, the prayers and all the sweet cards that have been sent to Lindsey. They really brought a smile to her face. And she needs those smiles. She is becoming so depressed because her recovery is not going too well. For every one step forward it seems she takes three steps back. It was great getting to be at church this past Sunday and seeing everyone. I will be headed back to Pittsburgh soon. Lindsey still has a long road ahead. Please keep her in your prayers. And again thank you all so much for everything. I love my church family.

God Bless,  
Carla Estep

### Senior Adults Young-at-Heart

We were loaded down with life-saving information at our Young-at-Heart meeting on April 17. Roger and Becky Hudson showed us the right thing to do if or when we think someone is having a heart attack or choking. They handed out papers that told us exactly what to do if ever faced with such situations. We were very pleased with all they told us. We may never be able to do CPR, but we could tell someone else how to do it. Sorry you missed this excellent program.

Our next meeting will be held on Tuesday, May 15, at 12:00 noon in Williams Fellowship Hall. Shane Terry will present an informative and insightful program about the Visitors Center's programs/places that may interest our group. His program will help us find new things to do right here close to home. Come and join us to find out what's in Wytheville/Wythe County that we haven't visited. **Everyone is welcome—you don't have to be a senior citizen.** Don't forget to bring your "Brown Bag Lunch." We will furnish drinks and dessert. See you there.

## The Nellie Bausell Library Notes

### May 2018

**Clay Pots: Sermons and Meditations** by Rev. Robert H. Thompson is an interesting book. It is his notes and thoughts from sermons he delivered in the five churches he served in over the 52 years he was in the ministry. One sermon of his really got my attention—"Jesus in blue jeans." What do you think? Would Jesus ever wear blue jeans? Why or why not? He also has a few sermons for children. One little boy was asked "what is a Christian?" He immediately knew the answer to that question. You can find his answer in the book. The author says we are jars of clay, "Clay Pots," chosen to carry and dispense the truth of God. That is the purpose for preaching and is the reason he wrote this book.

**JOSH - A House the Lord Built** by John E. Collier is now available for sale on Amazon.com. John is Judy Collier's husband that has passed on and is in the presence of the one he served all his life.

It was Josh's ninth birthday when his alcoholic father knocked down his mother in a rage and abandoned them both. After carrying anger and bitterness toward his father, he turned his life over to Jesus and his life changed. From a lonely, abused boy, Josh grew into the man God intended him to be, supported by godly, loving families who saw his potential and taught him skills that the Lord could use to build a city.

Read the story of a young man who pursued his vision to do business God's way and with God's principles. While achieving success in love, work, and academics, a deep personal tragedy threatened to derail his life. When he surrendered his hopes and dreams to God, Josh learned He is the God of second chances.

Come along on Josh's life journey and discover:

God helps anyone who surrenders to Him.  
Success comes when you partner with God.  
Caring about others pays big dividends.

With God by your side, you can reach for the stars.
