### PASTOR'S THOUGHTS

#### GOD IS PRESENT

We are now halfway through the year. There are so many things different this year and very few things that could have been predicted. From financial markets being very unstable to social unrest in our country, we have seen great changes. Churches have had to find new ways to do many of the things we have always done. Social activities are few and far between. Schools, colleges, and summer vacations for this year will exist in a different way than they ever have before. Our way of life has been disrupted. It will be many months and maybe even years before we can find some kind of routine to life again.

Address Change Requested

I am hearing people ask, “Where is God at this time?” They feel as though God has stepped away from the situation and is no longer caring about what happens. Some have even blamed one part of society for why God has stepped out on us. Some people are fearful that our country will fall apart and only chaos will exist very soon.

I believe God is present with us and working in each person’s life. Many I have the opportunity to speak and interact with are hearing God deep within their souls. They are being called by God to walk and grow in the spiritual life. They are understanding more about the Bible and feeling convicted to establish stronger spiritual disciplines in their lives. They are concerned about whether others know about the salvation which God offers to every person. They are finding ways to tell about the great things God has done in their lives to bring them peace, comfort, and grace. They are becoming more fervent in prayer and the ability of prayer to bring about changes. When people have these kinds of desires for the spiritual life, this shows God is present. All these things are the work of the Holy Spirit in people’s lives.

Christians need to take a leading role by showing God to be present even when it seems chaos is in control. It is time for us to sing the praises of a God who still works in people’s hearts. A God who has a good plan and a good future for us if we will open up and allow God to inspire us on the way. God is present and God is working in people’s lives. I see it every day. Do you see it?

Because of God’s Love,  
Pastor Tim

We had planned to have our Leadership Team meetings on even numbered months. If the Network can be of any help during this time please let us know and please continue to pray for our country. We will keep you updated as things develop.
- **MINISTRY DINNERS:** These dinners are suspended until we are able to have a Leadership meeting to determine a new schedule.
- **VENEZUELAN CHRISTIANS:** Please continue praying for our brothers and sisters as they minister to those in their neighborhood. They are feeling effects of the virus and quarantine, but are continuing to minister to the area.
- **BLAND MINISTRY:** Please continue praying for DeeDee Hoosier who is doing well. DeeDee’s husband, Danny, has had several problems since his surgery and asked that we continue to pray for both of them.  
Bland has been continuing with their work, but without the volunteers. They hope to bring back the volunteers.  
They are still receiving food from USDA.  
During the “shut-down” they have been able to formulate plans for the future.
- **MISSION CONFERENCE:** Charles Damron shared information that it would be best to not schedule a Missions Conference for this year. He said one will be scheduled for next year.

Our next meeting is scheduled for August 6. As we look forward to the future, please continue in pray for our Network churches and our country.

## Wohlfahrt Haus Dinner Theatre

During this time of uncertainty, we have decided to postpone our monthly gatherings at the Wohlfahrt Haus Dinner Theatre. When we can safely gather in groups again, we will notify you by emails, Sunday announcements, or the Beacon with information when we will book reservations for dinner and a production. For more information, contact Doris Terry.

Our July meeting has been cancelled. Please watch and listen for updates on the new date and place for our next meeting.

thank  
you!

Thank you to our Property Team—Chris Bracknell, Dan Robinette, and Arnie Murdock—for your dedication in keeping God's church properly maintained and safe for all who come to worship, work, and visit. Their job is not an easy one but they do it with determination and a smile. This has not been an easy time for anyone but they have our comfort, safety, and well being at the forefront of their work and decision making. Let us keep them in our prayers as they keep us safe.

**THANK YOU, PROPERTY TEAM,  
FOR TAKING CARE OF  
WHAT GOD HAS INTRUSTED TO WBC.**

## NOTES FROM OUR MINISTER OF MUSIC AND WORSHIP

### WHAT ABOUT MUSIC WHEN WE RETURN?

As we look forward to reopening our church doors this month, we also realize not everyone will feel comfortable in returning at this point. Health issues, along with an air-conditioning that is no longer working, may keep many from attending services at this time. Therefore, we have decided to postpone our celebration of Easter until more are able to safely meet together.

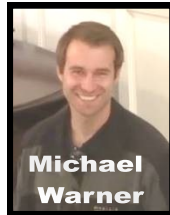

Upon returning, we will err on the side of caution with our service music. In place of live music, our plans are to begin with music videos and videos from previous services. With such a volatile situation that our country and community are now experiencing, we will endeavor to remain watchful and flexible, balancing our desire to worship together as the Body of Christ while protecting our physical body, which is the temple of God. Both are very precious in the Lord's sight.

This Fourth of July, with many of our freedoms and comforts compromised, we can still rejoice that no one can take away our freedom in Christ. And the Solid Rock on which our faith rests, proves Himself increasingly strong and faithful in the midst of the storm's fury. So during this time, though we cannot safely sing as a congregation, may the song that pours from our soul bring others to the Joy, Love, and Salvation that our Lord wants to give so freely to all.

With joy and with prayers for our safe reunion,

*Judy*

# Youth News

***Hello Church Family,***

The youth would simply like to pass some encouragement on. These past few months have been some of the strangest we have experienced, but we rest in the reality that God is not surprised and is still in control. We hope everyone is remaining safe and healthy during this time and we look forward to seeing everyone again in the near future. The youth have been able to retain connection through various social media platforms, which we are extremely grateful for. Yet, the sad reality of not being within physical parameters is ever present. Lastly, as the last time, we'd like to pass on the truths that we sometimes need to be reminded of:

- 1) We are adopted Sons & Daughters of God and nothing can remove that. (John 1, 10)
- 2) We look forward to the coming return and resurrection of our very bodies. (1 Cor. 15, 1 Thes. 4)
- 3) God is in control as He pulls history to its fullness and completeness. (Rev. 22)

If any member is in need of anything, please let us know and we will do everything we can to meet the need or find and direct to someone who can! You can contact me at [mkwarner35@gmail.com](mailto:mkwarner35@gmail.com)

We love and miss you all and look forward to being in physical proximity again.

Blessings,  
*Michael*

A continued **"THANK YOU"** for your steadfast conviction in maintaining your monetary giving to God. Because of your continuing commitment to tithing, the church is able to maintain normal expenditures and also help others in our community. Again, thank you for being so faithful in your giving.

You can still give by logging onto the church's website at [wythevillebaptist.org](http://wythevillebaptist.org) and clicking the GIVING tab, by going to MyChurchApp/Wytheville Baptist on your cell phone, mailing your offering to the church, or come by the church and slip your tithing envelope through the mail drop on the entrance door to the main hallway of the church. Your tithes will be used for expanding His Kingdom.

## Annual Church Picnic Canceled

Due to the uncertainty deriving from Covid-19, the decision has been made to cancel the Annual Church Picnic that was scheduled for August 2.

We will revisit the scheduling of this special event at a later date. Watch your emails and Beacons for a new date when we can all gather at Claytor Lake Baptist Camp for a day of good food, fun, and fellowship.

## KATHRYN ISAACS AND MABEL CRABTREE CIRCLE NEWS

Our Circle doesn't have regular meetings in July and August. The Annual Church Picnic which was to be held on Sunday, August 2, at Claytor Lake Baptist Campground has been cancelled. Our regular meetings will resume in September. We will keep you updated of any changes in dates.

Ladies, please keep our church family, community, state, and nation in your prayers. Keep in contact with each other through phone calls, text messages, emails, and cards of encouragement.

## Called Church Business Meeting

During this time of COVID-19, we are seeking for new ways to be a church and also to take care of the business of the church. In addition to having a Called Business Meeting on Wednesday, July 1, at our 7:00 p.m. Prayer Meeting and Bible Study on Zoom, we want to give people an additional way to vote on church business. We realize not everyone can attend a Zoom meeting. You can respond to the church's email, [wythevillebaptist@gmail.com](mailto:wythevillebaptist@gmail.com), with either a "yes" or a "no" to allow the Property Team to have Wythe Sheet Metal replace one Sanctuary AC unit at a cost of \$6,000 and also to allow Brian Wolford to install a 22,000 BTU window unit with remote control for the kitchen. The installation for the kitchen will include two new circuits: one for the air conditioner and a new circuit for countertop cooking appliances. The unit will cost \$725 and other incidentals will bring the total cost to \$900 and \$1,000. Funds for the kitchen air conditioner project will come from the Designated line item for Wednesday night suppers which currently has \$4,873.14. If voting by email, your vote on both projects needs to be received by noon on Wednesday, July 1. If you have any questions please contact Chris Bracknell, Chairperson of the Property Team. Thanks for your help in conducting the business of the church.

Because of God's Love,  
Pastor Tim

## CHURCH UPDATE FROM PASTOR TIM

Dear Faithful Members of Wytheville Baptist Church,  
After much prayer and discussion with a number of members and leaders, it is time for in-person Worship Services again. We will start meeting only for Worship Service on July 5 at 10:30 a.m. This will be the only activity we will have at Church for a while. We will continue to meet for Prayer Meeting and Bible Study each week on Zoom. If you have not been attending on Wednesday and would like to, please email me for an invitation link.

I know and am aware that most of you want to be as cautious as possible as we return to gathering together. As your Shepherd, I want to do all that I can to keep you safe and well during this time. I realize cases of COVID-19 are rising in our county. Some have shared with me they will not be coming at first as we start in-person gathering. I understand and so does the leadership of the Church. If you decide it would be best for you to be safe by staying at home, you have my approval as Pastor to do so. We are still going to live stream the Worship Service on the Church's Facebook page and it will still be available on the Church's YouTube page also. Please be aware also that with the social distancing rule of six feet between non-family members our Sanctuary will only hold about 50 people, which is less than our usual attendance.

You will find a copy of our Guidelines and Cleaning Procedures. Please read through them and let me know if you have any questions or concerns. The Deacons and the Staff have taken time to put these together for the safety of all who attend Worship Service.

Another fact I want to make you aware of is that one of our air conditioner units for the Sanctuary is not working and needs to be replaced. Wythe Sheet Metal has given us an estimate already. So as we move into the summer months, it may not be comfortable in the Sanctuary depending on the weather. If you plan on attending remember it could be warm in the Sanctuary.

Once again I want to say, Thank you for your faithful giving during this time! It has allowed us to cover all expenses and to continue to pay all our Staff. May God bless you for your continued faithfulness in this area.

Please continue to pray for God's healing for our nation from COVID-19 and the current civil unrest. God will answer our prayers, just as God has done faithfully in the past for us.

Because of God's Love,  
Pastor Tim

### Children's Clothes Closet

It's summer time and we have summer clothes in WBC Children's Clothes Closet. These children's clothes are free and we always have new families that utilize this ministry. If you have any new or gently used

children's clothes, shoes, new underwear, t-shirts, or socks; please bring them to the clothes closet down stairs next to the nursery when the church opens back up.

If you would like to make a monetary donation, please earmark your check "Children's Clothes Closet" and mail it to the church or drop it in the mail slot on the door leading to the main hallway. **If permissible**, the Children's Clothes Closet will open on Thursday, July 23, from 2:30 to 4:00 p.m.

Spread the Word of God by telling others to listen to the Sunday morning message by logging onto:

[www.wythevillebaptist.org](http://www.wythevillebaptist.org)  
then click the Sermons tab.

Once there, people will find each Sunday's sermon plus all the previous sermons of past months. Thank you to our Multi-Media Team Leader, Daniel Burke, for providing this link for our encouragement, learning, and inspiration.

### AUGUST 2020 BEACON ARTICLES

All August 2020 Beacon articles, announcements, meetings, events, times, etc. need to be turned into the church office no later than Monday, July 20. Thank you for your help in this matter.

### **DON'T FORGET OUR BENEVOLENCE OFFERING**

Our Benevolence offering is divided between helping our members and regular attendees in a time of need and the rest is sent to the Wythe County Ministerial Association and administered by Hope Ministry to help those in the community who need help. This offering will be received during the month of July.

This offering is never hoarded up or put in a savings account, but always used to help others for the glory of God.

*Thank you for giving from the heart.*

### **OPEN DOOR CAFÉ IMPORTANT HEALTH & SERVICE NOTICE**

We will continue with To-Go style meals. Outdoor seating is now available to enjoy your to-go meals, but you may not seat yourself. Please see a volunteer to be seated. Masks must be worn except for when eating and drinking. Tables are reserved for active eating only of parties of 6 or less, and social gatherings outside of meals are prohibited. Monetary donations are still gladly accepted and needed as we work to serve all. The hours will remain 11:00 a.m. to 2:00 p.m.

### **AGAPE FOOD PANTRY**

Please bring canned vegetables for the months of July, August, and September to help feed those in need in our community. Please, no glass containers.

WBC considers it a privilege to help the Agape Food Pantry distribute food on the second Saturday of every month beginning at 10:00 a.m. and the fourth Thursday of each month beginning at 12:00 p.m. If you would like to be part of this vital ministry, please contact Chris and Rhonda Bracknell or Guy and Linda Sutphin.

### **COVID-19 GUIDELINES AND CLEANING PROCEDURE**

These guidelines follow State guidelines and suggestions of best practices for churches gathering for Worship Services during Phase 2.

We are happy to report that Wytheville Baptist will begin gathering for Worship Service only on July 5, 2020 at 10:30 AM. We have established these guidelines and cleaning procedures to keep people safe during this time of Covid-19.

1. Worship Services will be limited to 50 people, this includes seating people in the balcony, so we can maintain six-foot distances between people. Our Worship Services will be live-streamed on the Church's Facebook page and posted later on the Church's YouTube page for those who cannot attend or who would prefer not to attend during this time of Covid-19.
2. No one with a fever or known exposure to a Covid-19 case in the prior 14 days is allowed to enter the church building.
3. The Sanctuary, Bathrooms on the Second Floor, and all frequently touched surfaces will be cleaned after each Worship Service before meeting again as explained in the cleaning procedure detailed below.
4. People will enter the Sanctuary through the front door while maintaining six-foot distances and proceed to a pew for the Worship Service. Please do not pause because this may keep people from entering behind you. The pews will be marked in six-foot sections and only every other pew will be used. It will be helpful to fill in the Sanctuary from the front to the back so people can maintain six-foot distancing. If you are handicapped and need to use the ramp please let us know and you will be led in through the side door.
5. We will not have an announcement sheet. Our announcements will be on the projector screens.
6. Those who attend Worship Services are reminded to wear a face mask and each will use hand sanitizer upon entering our Sanctuary. If you forget to bring a face mask you will be given one to wear as you enter the sanctuary. The Pastor will remove his mask when he preaches.
7. Families who have been living together through the pandemic can sit together. All other attendees must be seated six feet apart.
8. We will not have our Greeting Time of hugging, handshakes, and moving around the Sanctuary.
9. Music has been very important to our Worship Services, however, there will be no Choir or Congregational singing during our Worship Services. Special Music and instrumentals will be part of our Worship Services from

*(Continued on page 8)*

time to time.

10. Other than the Sanctuary, no other parts of the Church facility will be open. Sunday School rooms, the Library, and the Choir Room are closed. Please do not go to the First or Third floors at this time. Any additional spaces people use will require cleaning each time they are used. The bathrooms will be open only on the Second floor.

11. Until further notice, there will be NO other Church activities held in the building.

12. The wearing of gloves is optional, but if you choose to wear gloves, they too need to be sanitized with hand sanitizer.

13. There will be an Offering box at the exit door to receive your offering. Offering plates will not be passed during the Worship Service. You can also continue to place your Offerings and Tithes through the mail slot in the door closest to the Office door during the week, mail it to the church, or use the online giving links either on the Church Website or through the My Church app.

14. At this time, no items can be passed from one person to another unless it is among the same family who have been living together during the stay-at-home orders.

15. After the worship service, the ushers will release one pew at a time to exit by the side door of the Sanctuary so we can maintain the required six-foot distance.

16. Those who chose to fellowship are required to do so outside the Church Building away from the exit while remaining at the six-foot distance.

#### **CLEANING PROCEDURE BETWEEN WORSHIP SERVICES**

1. Our Cleaning Service will be responsible for sanitizing / disinfecting the restrooms. This will be done primarily with a bleach solution.

2. Our Cleaning Service will also sanitize / disinfect the hard surfaces of the entrance and exit doors to the sanctuary and in the hall.

3. A team of at least three individuals (members) will clean (sanitize / disinfect) the sanctuary each time the sanctuary is used. This will be done on or after Wednesday of each week. This cleaning will consist of wiping down of all the wood surfaces of the pews and other furniture. Lysol wipes and a non-bleach spray solution will be available for use. This would take less than an hour with two people. A steam cleaning machine will be used to sanitize / disinfect the fabric on the pews and any other needed fabric surfaces. The steam cleaning will likely take about 2 ½ hours.

## **The Nellie Bausell Library Notes**

 **July 2020** 

No new books to report on, but we have a fun story to lift your spirits, remember product names from years past, and give you a chuckle or two; and maybe something to think about...

#### **Are you SOFT-SOAPING GOD?**

DUZ you DREFT along with the TIDE? VEL, now is the time to CHEER up.

If you want real JOY, the best TREND is to BREEZE to church on Sunday morning.

Many WOODBURY their heads in the pillow and remain in bed, or work to make yard and auto SPARKLE, forgetting that the Lord's Day is made for LESTOIL.

Where God is given first place, a DOVE will never have to be sent out with an SOS.

Are you trusting on LUX for good things, with no intention to include God in your days?

Maybe we ought to DIAL you and remind you about the IVORY palaces and eternal LIFEBOUY.

Why not WISK yourself out of bed this Sunday morning, dress up SPIC 'N' SPAN and DASH like a COMET to God's house?

Sharing God's Word, you can receive a wonderful KLENZER for your soul and become God's MR. CLEAN.

Be BOLD enough to try His way!

You will GAIN a great deal when you get into God's BIZ, the center of real AXION.

BRECK away from the way of the world, and you will find it's no TAME existence to follow God's leading.

And the end result is much more than just a shiny HALO.

If you AGREE, eternal blessings can be yours now, and in the land of NO MORE TEARS.
